Please Note:

- The cost for before-school care has been divided into 8 equal payments (see above for the payment due dates).
- The cost takes into account holidays, regular school closures, professional development days and emergency closures.
- The College of Education Early Childhood Center and the Merrill Palmer Skillman Institute Early Childhood Center are non-profit organizations. Fees charged for childcare services bring in monies necessary for operational costs (e.g. – staff salaries, materials, food, etc.). Please be on time with your payments. Failure to pay puts a strain on the budget. Prompt payments ensure that we can continue to provide high-quality preschool programs to you and your family.

Late Payment Fees: Your account will be charged a late payment fee of \$20 for each week beyond the due date that you do not make a payment.

Services will be discontinued if you are 2 weeks behind in your payments. Your services will begin again when you have paid your past due balance in full.

Late Pick-Up Fees: There will be a \$5.00 charge for every 5 minutes after the contracted time. We understand that everyone will face an occasional mishap. However, it is hard to keep quality staff when they cannot leave on time to get home to their families. Please understand that a good program results when all adults work together.
