SKILLMAN INSTITUTE**
for Child & Family Development

For details, contact Cheryl Deep at cheryldeep@wayne.edu or 313-664-2607.
Payment of \$10 can be made at the door or mail registration form below.

Learning Objectives

- 1) Understand immigration and the role stereotypes play in everyday life
- 2) Identify methods to find common ground with people different from us.
- 3) Survey and describe current drugs of abuse.
- 4) Understand effects of these drugs on the developing adolescent brain.
- 5) Identify risk factors and signs of use/mis-use.
- 6) Acquire skills to assess drug use, help the teen and involve the family in treatment.

This program is pending approval for 3 CEs in social work and 3 State Continuing Education Clock Hours by the Michigan State Board.

PAYMENT FORM - Or Register Online at: <http://mpsi.wayne.edu/outreach/teen-conference.php>
