### OBJECTIVES

1. Learn the scope of special education services available in Michigan, especially for high school students.
2. Understand issues concerning students with Autism Spectrum Disorder, Developmental Disabilities, Emotional Impairment, Learning Disabilities and Attention Deficit Hyperactivity Impairment.
3. Identify the roles of stakeholders in special education programs, including parents/caregivers, staff, students and the community.
4. Understand the unique risks and vulnerabilities for young people with disabilities.

*Pending approval for 3 CEs in social work and 3 State Continuing Education Clock Hours by the Michigan State Board.*
