PROVIDED BY
MERRILL PALMER
SKILLMAN INSTITUTE
for Child & Family Development

Learning Objectives

- 1) To identify the types of human trafficking and the kinds of enslavement that result.
- 2) To learn the signs and symptoms, both physical and psychological, of possible victimization by human traffickers.
- 3) To learn how to report suspicions and protect vulnerable persons from exploitation.
- 4) To learn ways to educate people to protect them from human trafficking.

This program is pending approval for 3 CEs in social work and 3 State Continuing Education Clock Hours by the Michigan State Board.

For details, contact Cheryl Deep at cheryldeep@wayne.edu or 313-664-2607.
Payment of \$10 can be made at the door or mail registration form below.
